Dann

Would you give me some guidance , I see **09 51 13** is the nomenclature for Acoustical ceiling tile but I am not sure where to find the corresponding documentation, would you give me a little guidance?

Thanks

Phil,
There was a specification came in and submitted to us as part of the CDs. The ceiling section should be there. Please look in there.

Thanks

Danny

Would you send us the specifications on the ceiling tiles for Project 888? We would like to include them in our estimate for the second floor upgrade work.
